Ref: *No.* 3184/40-A1, *dated* 11th Novr. 1940

Sir,

ADVANCES - Loans - Kudligi taluk - Hansi village - Borrower - Late Ijardar Mohadin Saheb - L.I.L.7/33 Balance of Rs.470-3-2 - Write off - Recommended.

...

A sum of Rs.400/- was advanced in L.I.L.7/33, dated 6.5.24 to late Izardar Mohadin Saheb of Hansi village Kudligi taluk for the construction of a well in S.No.592 of the said village on the hypothecation of the following lands.

S.No.	Extent	Assessment	Estimated Value.
591 (wet)	1.36	8- 3-0	
450 (wet)	1.32	7-15-0	600-0-0.
592 (wet)	1.57	9- 7-0	

The then Tahsildar, Mr. Aspari Narasinga Rao inspected the well work on 17.1.26 and found it to be incomplete. He therefore ordered summary recovery of the loan in his proceedings dated 19.1.26, but this was not given effect to. It was cancelled on an appeal preferred by the borrower in Hospet Sub Collector's L.Dis.358/26 dated 19.7.26, which has been destroyed. The borrower, however, failed to pay the loan instalments for faslis 1341 and 1342, and he was found to have become an insolvent. Consequently the summary recovery of the loan was again ordered in Kudligi Tahsildar's C.No.1002/33-A4 dated - 24.8.33. The borrower had other properties in addition to the lands hypothecated, but they were attached and sold

sold by the Civil Court to one Sri Malasani Bhadrappa, for the debts contracted by the borrower. The Tahsildar who - failed to proceed against the other properties of the defaulter before their attachment by the Civil Court was - Muhammad Osman Sheriff Saheb, who is dead. The lands secured to the loan were at any rate sold more than a dozen times but they did not fetch any bids. At last the lands were bought-in by the Government and the namakartham sales were approved in L.Dis.1665/39 dated 6.6.39 of the Revenue Divisional Officer, Hospet.

2. The secured lands were all wet fields and the total extent was 4.25 acres. They were valued at Rs.600/- at the time of grant of the loan. The fields have been left waste for several years past and they are reported to be now - - over-grown with nuth grass and rendered unfit for cultivation. Hence their sale did not fetch any bids in the auction. The Revenue Divisional Officer, Hospet has observed that the - valuation made at the time of the grant of the loan was not excessive; but the trade depression and the consequent depreciation ~~pression and the consequent~~ preciation in the value of the lands are factors which have contributed to the want of bids at the several sales held in this case.

3. The borrower died and his son being the only heir is reported to possess neither moveable nor immovable property. He is said to be earning his livelihood by daily wages. The Sub-Collector Hospet and the Tahsildar, Kudligi have reported that the outstanding balance is not recoverable in any way and that it may be written off the accounts. In the circumstances I recommend that the balance of Rs.476-3-0 outstanding towards "Principal" may be treated as irrecoverable and ordered to be written off.

4. The loan records and the other connected files received from the Sub-Collector, Hospet are enclosed for favour of perusal and return.

5. In this connection I bring to the notice of the Board a small irregularity committed at the time of preparing the loan records. S.No.592

P.T.O

S.No.592, the land to be improved which the applicant had offered as security, has not been noted in the Security Bond. This was apparently a clerical error omitted by the clerk who copied it. The Tahsildar, Sri M. Madhava Rao, who scrutinised and signed the bond is since dead. Nevertheless, this land was also sold in public auction along with the others and it also did not fetch any bids and its nominal sale was confirmed by the Revenue Divisional Officer, Hospet along with the others. Hence I do not consider that the matter need be persued.
